### About Sherman Oaks Hospital

Sherman Oaks Hospital is a 153-bed, not-for-profit, acute-care community hospital. Serving the medical needs of the San Fernando Valley, Sherman Oaks Hospital provides comprehensive and quality healthcare. Staffed with over 700 employees and an extraordinary team of physicians, the hospital and its wound center are known for advanced technology and provide 24/7 emergency care in addition to a full range of specialized medical, surgical, diagnostic, and hyperbaric medicine services to improve and save lives.

### Our Mission

To deliver compassionate, quality care to patients and better healthcare to communities.

### Our Values

#### Quality

We are committed to always providing exceptional care and performance.

#### Compassion

We deliver patient-centered healthcare with compassion, dignity and respect for every patient and family.

#### Community

We are honored to be trusted partners who serve, give back and grow with our communities.

#### Physician-Led

We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.

### FY2020 Charity Care

As a member hospital of Prime Healthcare, Sherman Oaks Hospital contributed toward more than a total of \$1.1 billion in the delivery of charity and uncompensated care.
